UPDATE NEW DAWN SHADER VERSION

To update shaders for my packages from Unity 2019 HDRP 7.x to Unity 2020 HDRP 10.x or above please following this video tutorial:

<https://youtu.be/jtmrut6LILE>

When Unity update new SRP version, my shaders maybe get errors or get trouble so I will update newest version here and change log file:

<https://drive.google.com/drive/folders/1L2ue4EsxaD05Elm4XDckcfrQQ0yZHyfFT?usp=sharing>

All file will included password so please contact me via Discord or email and provide me your purchase information to get password. Sorry for this inconvenience

If you have any question, feel free to contact me!

Thanks and Regard,

Quang Phan
